

# Arriving in Nantes

## General information

Nantes is within 2 hours from Paris Montparnasse TGV railway station and the Nantes-Atlantique airport is served by more than 100 direct destinations.

Click here for general information on [how to get to Nantes](#).

## By plane

Take the "TanAir" shuttle to the stop "Commerce" in the city center and then the tramway Line 2 (Direction "Orvault Grand Val") until the "Facultés" tramstop. You are at 3 minutes by walk of the conference premises. The "TanAir" shuttle is available outside the main entrance of the airport.

You can also take the bus 37 to the "Nuestrie" stop and then the tram Line 3 to "Commerce".

Click here to get to the [Nantes-Atlantique airport's web site](#).

## By train

From the Nantes railway station, take the exit "sortie nord". You can take a taxi or the tram. By tram, take the tramway Line 1 (Direction "François Mitterrand") until the "Commerce" tramstop and then the tramway Line 2 (Direction "Orvault Grand Val") until the "Facultés" tramstop. You are at 3 minutes by walk of the conference premises.

## By tramway or bus (TAN network)

Buy your ticket at the automatic distributor before taking the tramway (it is not possible to buy a ticket on board). A ticket is valid 1 hour.

The Tertre's Campus, where is located the Institute of Economics and Management (IEMN IAE), is in the north of Nantes, close to the tramway Line 2 (Direction "Orvault Grand Val") and the "Morrhonnière Petit Port" or "Facultés" tramstops. Depending on traffic and on tram frequency the journey takes about 45 minutes.

Click here to download the [map of the TAN network \(pdf\)](#). The conference premises are in "E3", between the building "Fac de droit" and the Erdre river (not indicated on this map).

Click here to visit the [TAN's web site](#) and learn how to reach the city center of Nantes with the TAN network.

Consult the TAN network directly on your smartphone (network map, schedules, traffic information ...) <http://simpletan.fr> (in French, non official website).
